

STANDARD ACCESSORIES

ALUMINUM THREADED COUPLER

- Reverse-threaded aluminum coupler
- Tapered threads accommodate a wide range of conduit OD's within a given conduit size
- Wide tolerance to fit most conduits
- Easy to install
- Not air or water tight
- Threads may reduce conduit ID
- Self-threading, which draws each end of the conduit into the center of the coupler

DESCRIPTION	PACKAGING	SHIP WEIGHT (LBS)	PART NO
1.00" Fits conduit with 1.160" to 1.410" OD	each	0.2	20003141
1.25" Fits conduit with 1.495" to 1.700" OD	each	0.3	20001853
1.50" Fits conduit with 1.800" to 1.960" OD	each	0.3	20003897
2.00" Fits conduit with 2.310" to 2.450" OD	each	0.4	20002865
2.50" Fits conduit with 2.835" to 2.900" OD	each	0.4	20001538
