

MICROTECHNOLOGY ACCESSORIES

DIVISIBLE DUCT SEAL KITS

Divisible Duct Seals provide an air- and water-tight seal between the cable OD and the inner wall of the MicroDuct. The hard outer cover is divisible so it can be easily installed around an existing cable.

- ▶ Divisible cover and seals for easy installation around existing cables
- ▶ Durable outer shell with multiple inner seals to accommodate a range of cable sizes
- ▶ Inner seals are color coded to quickly differentiate between cable ODs
- ▶ Available for MicroDuct OD sizes 5mm–27mm

ORDER REFERENCE

PRODUCT DESCRIPTION	PACKAGING	AMOUNT OF ITEMS/CASE	DURA-LINE PART #
5mm Divisible Duct Seal cable OD 2.25mm-2.50mm	Case	10 Kits	20005181
