

FUTUREPATH SPLICE KIT

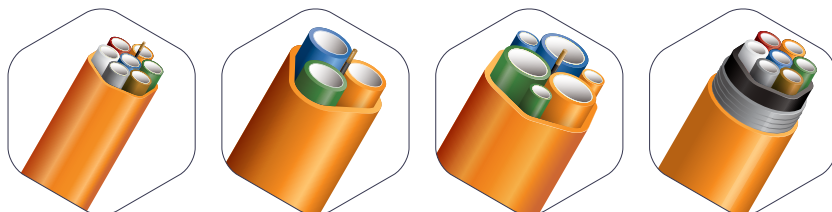

FEATURES

- ▶ Provides superior splice point protection from impact and external conditions
- ▶ Contains all items necessary for splicing and connecting FuturePath
- ▶ Low profile
- ▶ Provides an air- and water-tight seal
- ▶ Custom designed for each FuturePath configuration
- ▶ Does not compromise jetting or cable installation performance
- ▶ Detailed instructions provided with each kit on proper splice procedures and usage
- ▶ All kits also come with (1) 36ft roll of vinyl electrical tape and (1) pinpoint connector
- ▶ All components are available for individual sale

KITS AVAILABLE FOR

- ▶ FuturePath HDPE
- ▶ FuturePath Jumbo
- ▶ FuturePath Hybrid
- ▶ FuturePath Armored
