

STANDARD ACCESSORIES

TRIPLEX & QUADPLEX ENTRY SEALS

Triplex and Quadplex Entry Seals effectively seal a subdivided duct while anchoring and organizing the subducts. The split design makes installation easy and the durable gaskets provide water- and air-resistance.

- ▶ Re-usable and removable
- ▶ Able to install around existing conduit with no special tools needed
- ▶ Air- and water-resistant
- ▶ Corrosion proof
- ▶ Prevent dirt and dust from entering conduit
- ▶ Accommodates a conduit ID of 3.95" - 4.15"
